

What is A.A.?

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Yesterday, Today and Tomorrow

There are two days in every week that we should not worry about, two days that should be kept free from fear and apprehension. One is yesterday, with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed, forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed. Nor can we erase a single word we've said – yesterday is gone!

The other day we shouldn't worry about is tomorrow, with its impossible adversaries, its burden, its hopeful promise and poor performance. Tomorrow is beyond our control.

Tomorrow's sun will rise either in splendor or behind a mask of clouds – but it will rise. And until it does, we have no stake in tomorrow, for it is yet unborn.

This leaves only one day – today. Any person can fight the battles of just one day. It is only when we add the burdens of yesterday and tomorrow that we break down. It is not the experience of today that drives people mad – it is the remorse of bitterness for something which happened yesterday, and the dread of what tomorrow may bring. Let us, therefore, live one day at a time!

The 12 Steps of Alcoholics Anonymous

1. We admitted we were powerless over alcohol – that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.
