Virtual Service Information Day - February 10, 2024**

During the Q&A portion of the Workshop, you may raise your hand to ask a question, or can at any time post it in the chat. A link to the Ask-it-Basket is also going to be posted in the chat so that if time does not allow for your question to be answered, it will be answered at 4pm during the As-it-Basket Workshop in the Main Room. We look forward to sharing the responses with you.

HOW DID WE DO?

Please take a moment to fill out the survey and let us know what you think. They will be posted in the chat, or can be found on the area83aa.org website. Do you have any suggestions for future workshops? Please let us know how your experience was. This may be your first Virtual Service Information Day, and we hope it is a positive experience.

Thank you for your participation.
